2. Claim 2 was canceled. Pending claims are claims 1, and 3-16 for reconsideration.

Allowable Subject Matter

3. Claims 1, and 3-16 are allowed.

contract judging means determines that the subscription contract is made, “(b) determining that the preview state is established during the reception on judging that the predetermined period has not passed”, and “(c) determining that the prohibited state is established during the reception on judging that the predetermined period has already passed” because the preview judging subunit is determined based on the status condition of the contract judging subunit, the predetermined period has passed or not during the reception of the preview state, and the predetermined period has passed or not for the determination of the prohibited state.
